

When I'm out and about, I sometimes meet people I know. If they say "Hi", I know it is real polite and friendly to say "Hello" back to them.

Sometimes I will see a friend before they see me. When I walk up to them, I can say "Hi" or "Hello" first. Now, it's their turn to say "Hello", back to me!

When I meet friends, there are a lot of different and fun ways to say "Hello".

Sing the *Meet & Greet Song* to practice different ways to say hello.

Meet & Greet Song (piggyback How Much is That Doggie?)

"Hello", "Hey!", Say "Hi",
"How ya doing?"

There's so many ways just to greet.
Your good friend is coming down the hallway.
Oh, what will you say when you meet?

Whassup?

Hi

Hey dude!

Hi There

Hi buddy!

Hey, man

What's up, dawg?

Yo

How ya doing?

Hola

HELLO

Howdy

How's it going?

Hey, Bro!

Goodbye

When people I've been talking to are ready to leave, it's time to say "Goodbye".

When they say "Goodbye", I might say "Goodbye" too, or I could say "See you later".

There are a lot of different and fun ways to say "Goodbye".

Sing the *Goodbye Song* to practice different ways to say **goodbye**.
