

# Tommy's Teeth

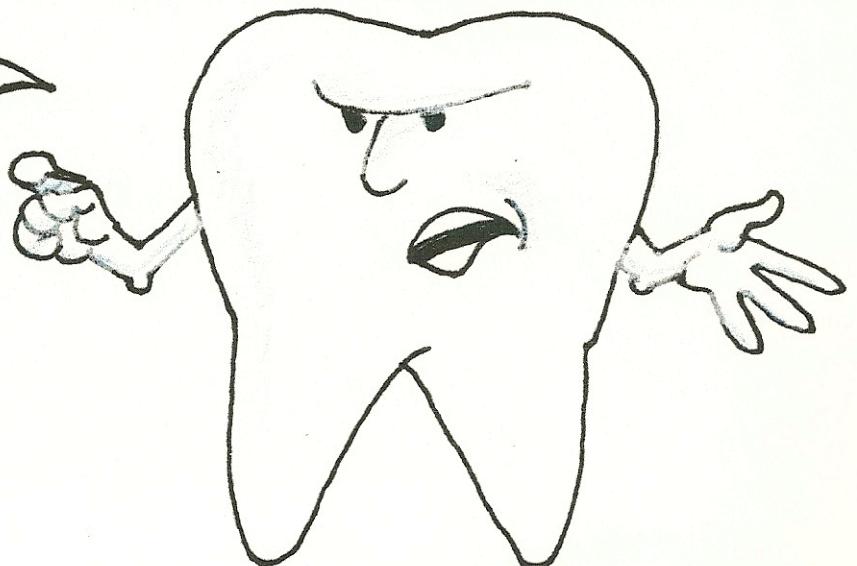

HEY! Open the  
book!

# Tommy has teeth.

HEY!  
Do you?

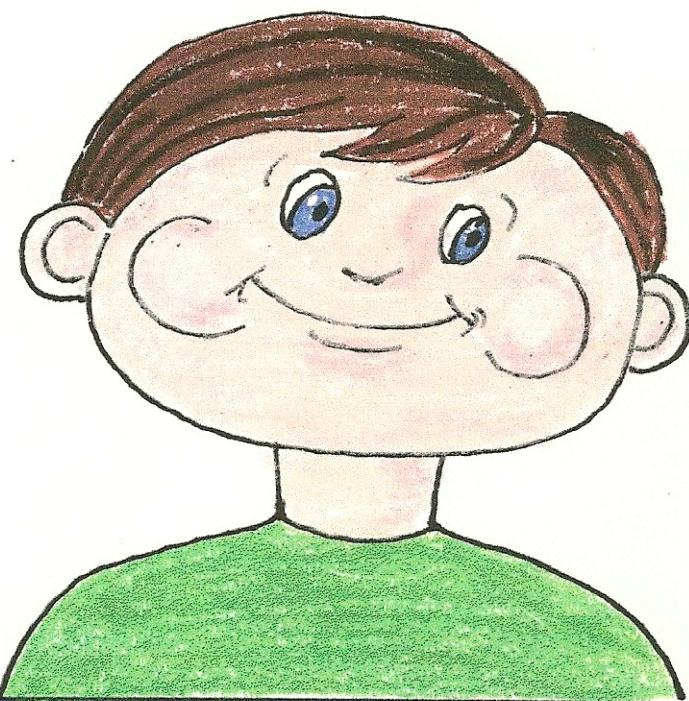

# Tommy likes his teeth.

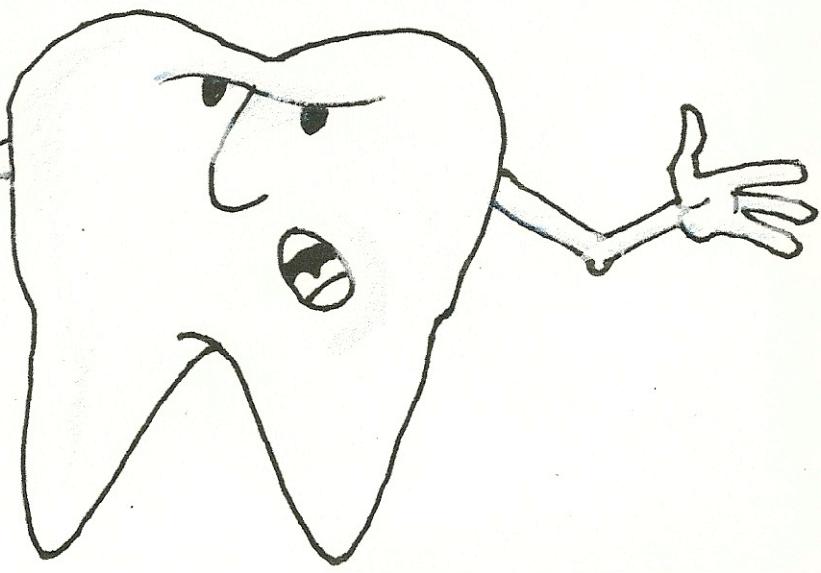

He can smile!

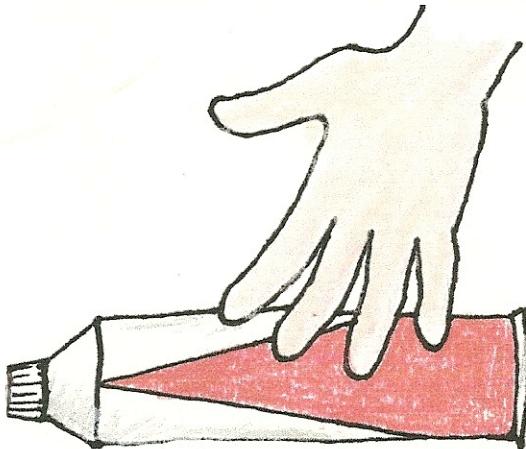

He can chew!

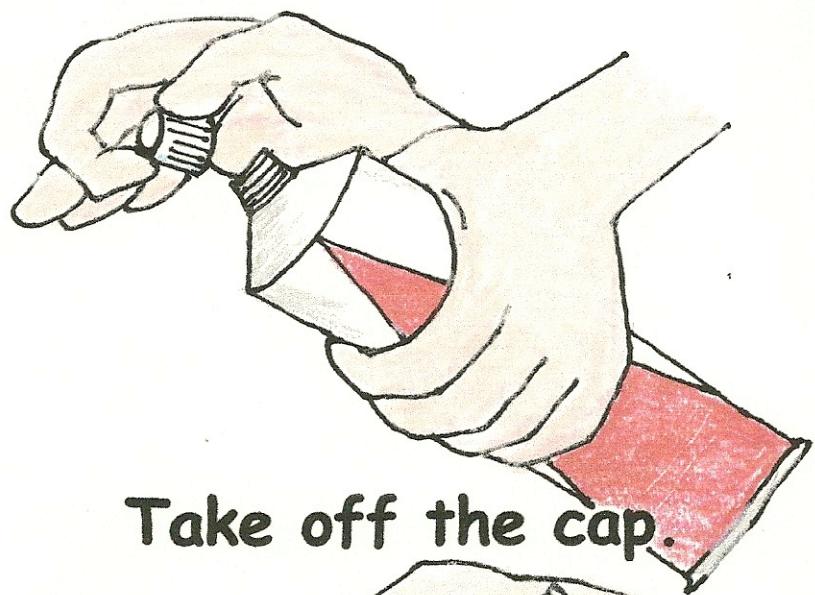

HEY!  
Can you?

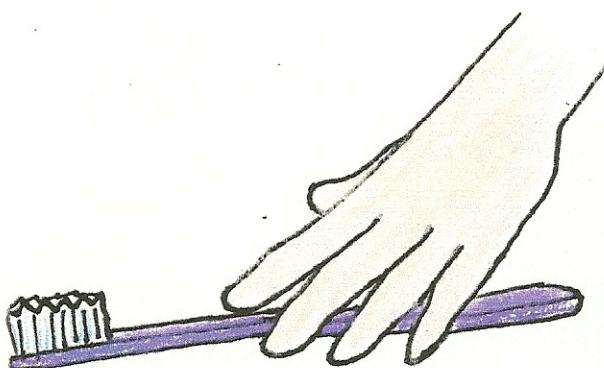

# Let's brush our teeth!

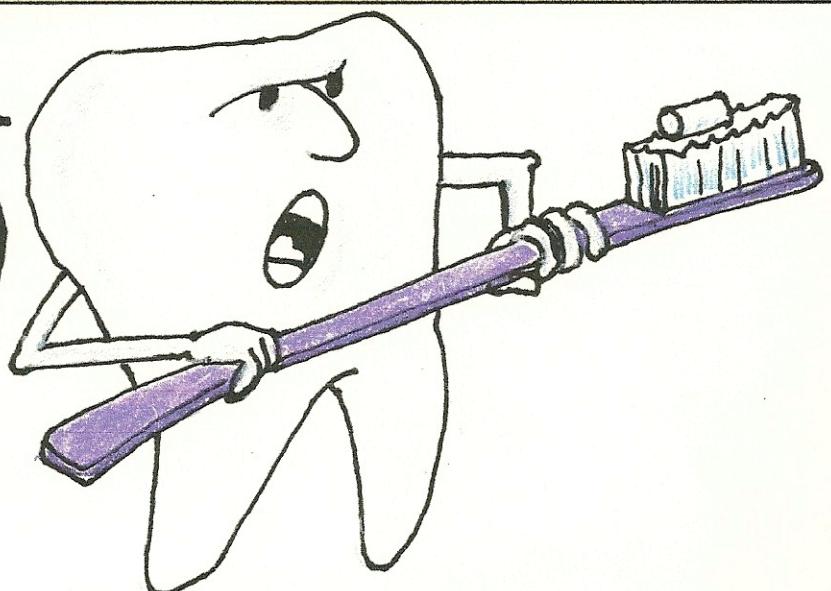

Get the toothpaste.

Take off the cap.

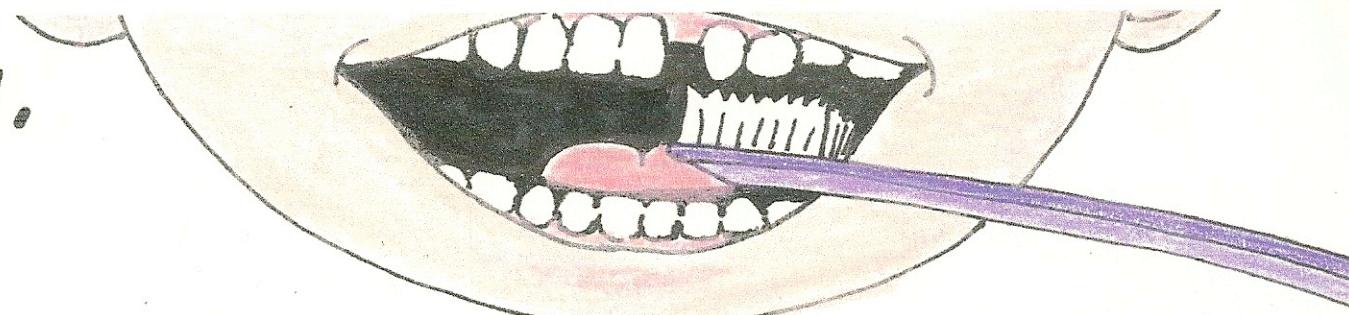

Get the toothbrush and on goes the toothpaste.

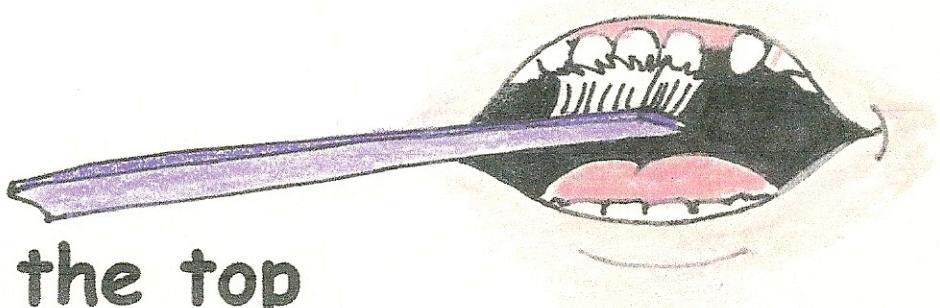

HEY! Just a  
little!

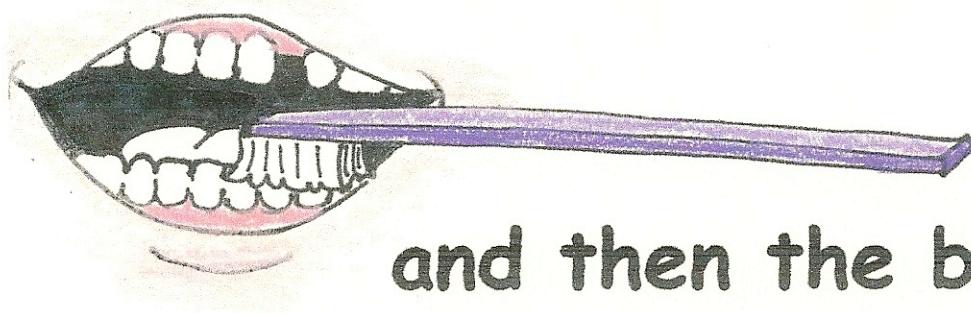

Now,

Open wide and brush inside.

First the top

and then the bottom.

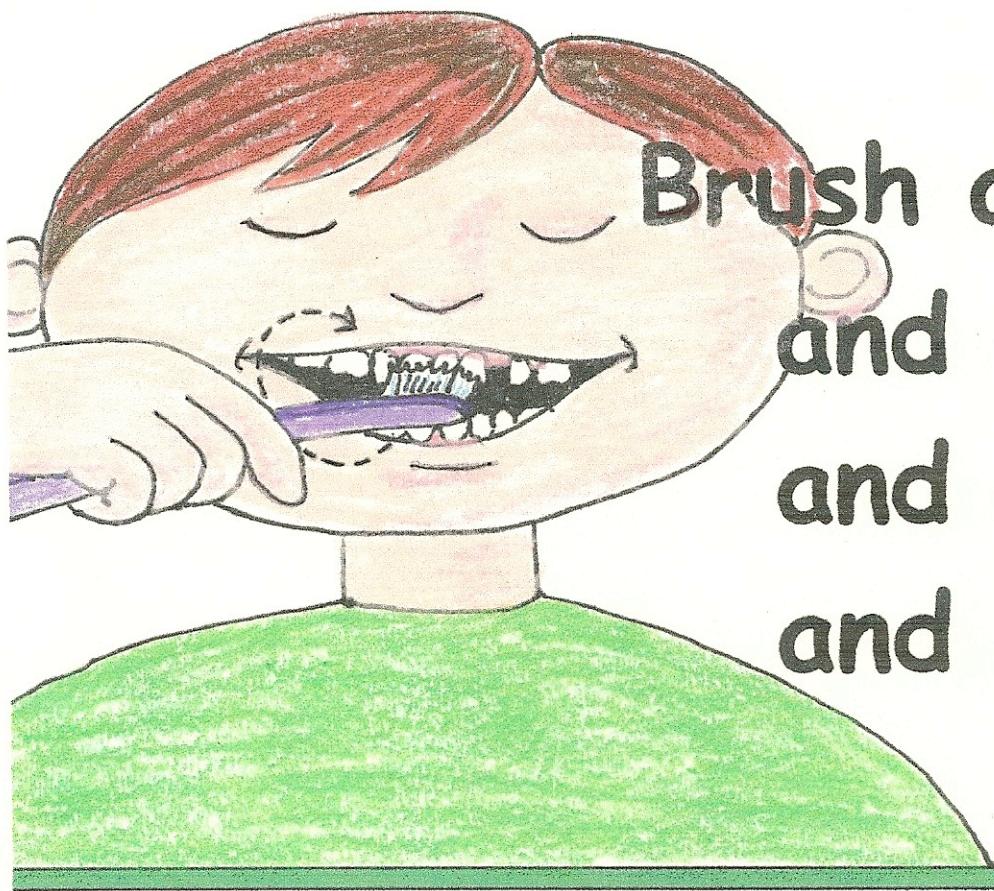

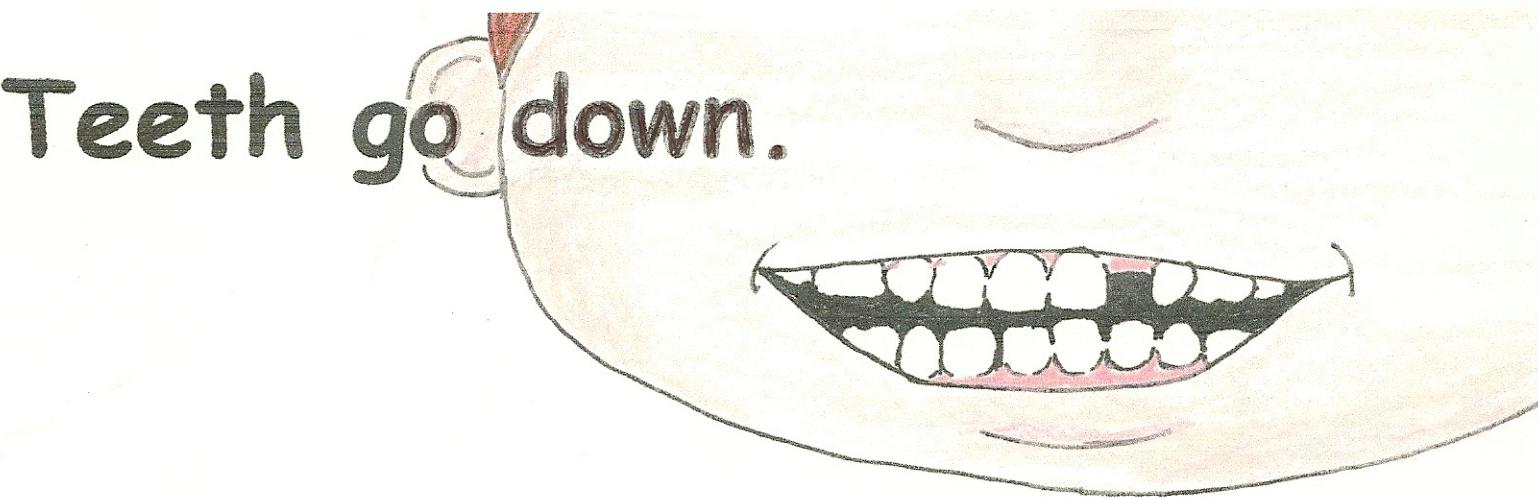

Brush, brush, brush until you've got them!

---

HEY! Don't chew  
on the toothbrush!

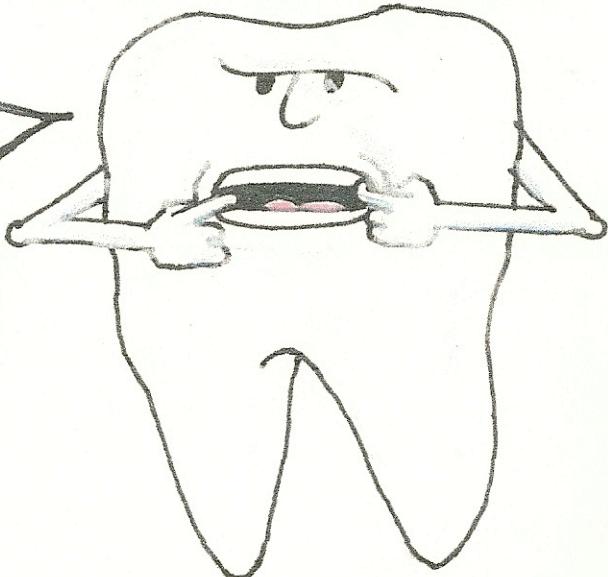

# Teeth go down.

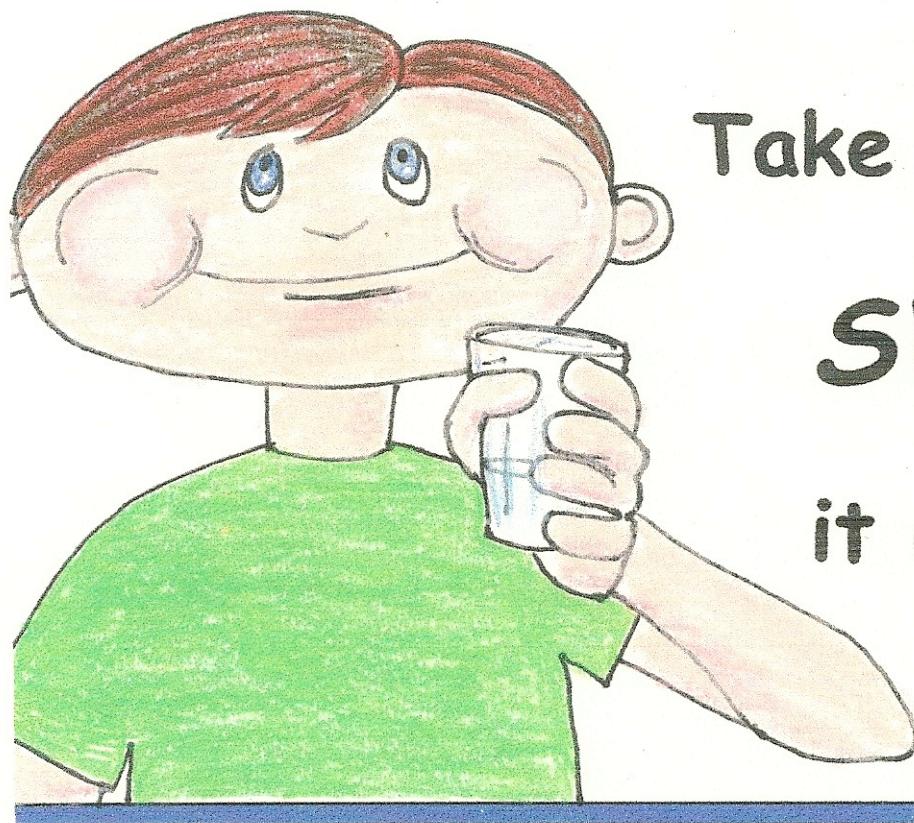

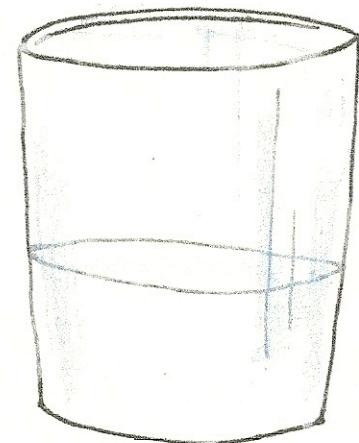

Brush around,  
and around,  
and around,  
and around!

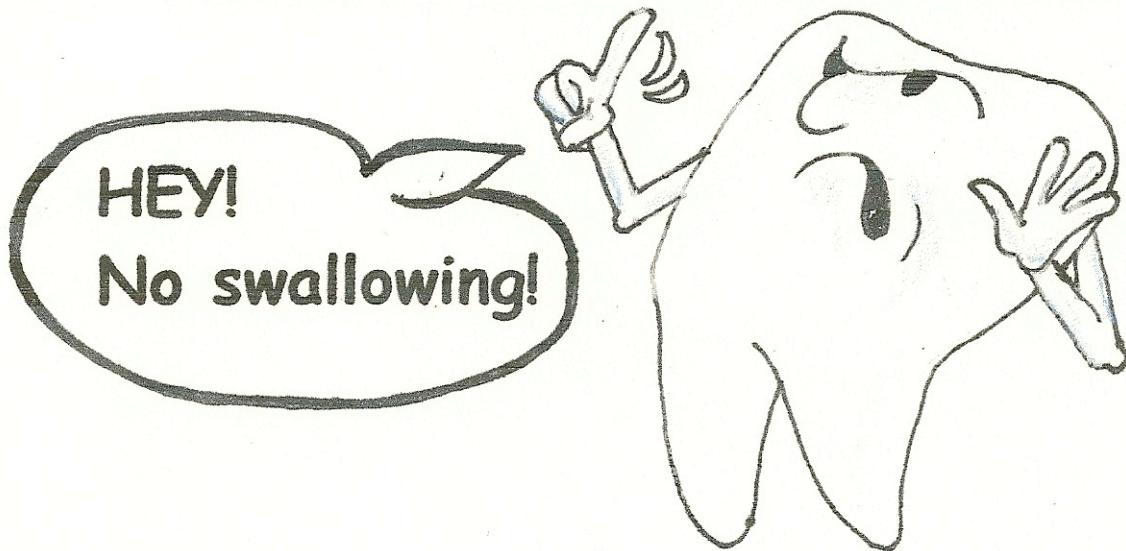

HEY! Don't  
forget the sides!

Put some water in  
the cup.

Take a sip and  
**SWISH**  
it around.

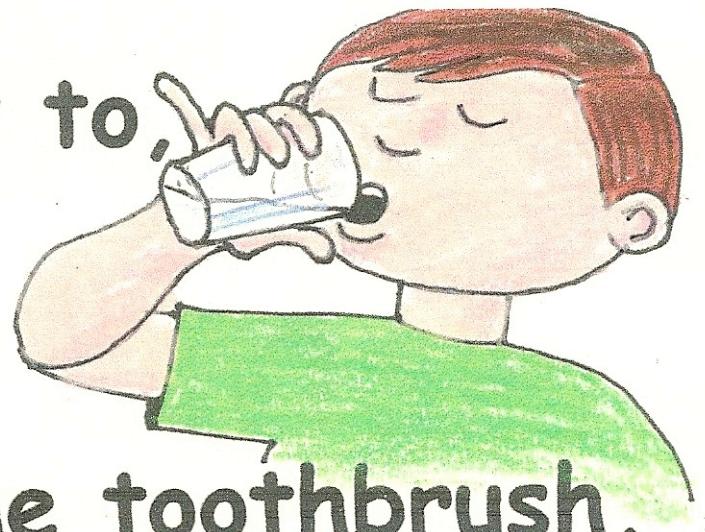

Spit into the sink -

and "bye-bye" toothpaste!

Now, if you want to,  
take a drink.

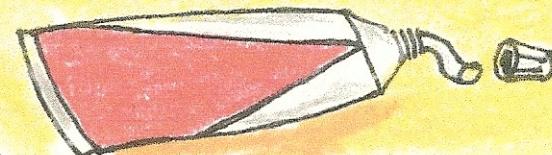

Clean the toothbrush,

the cup,

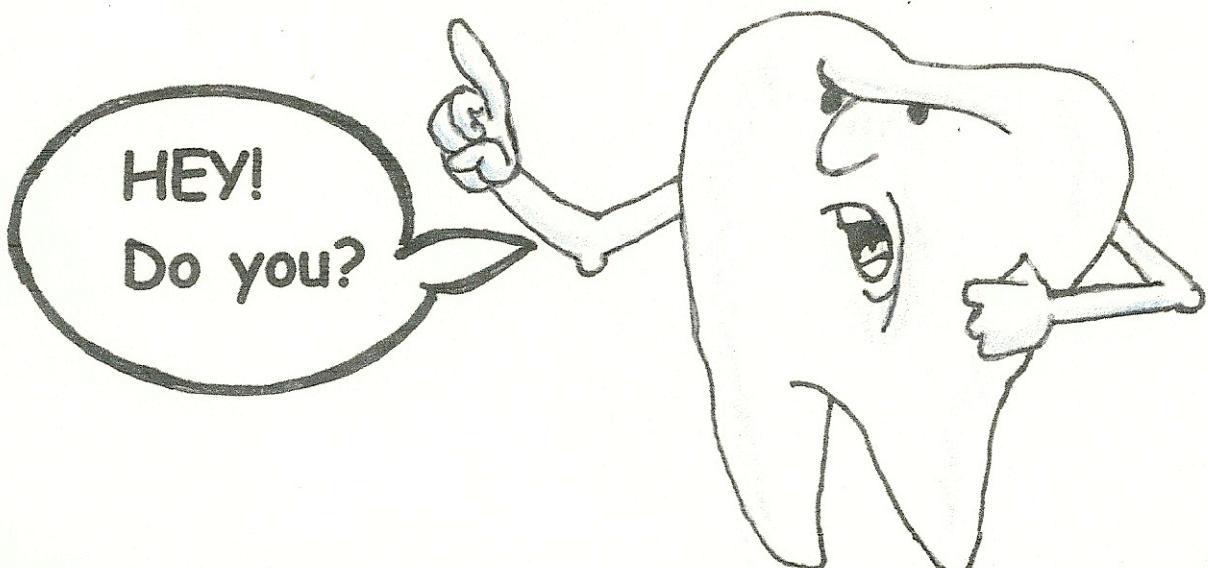

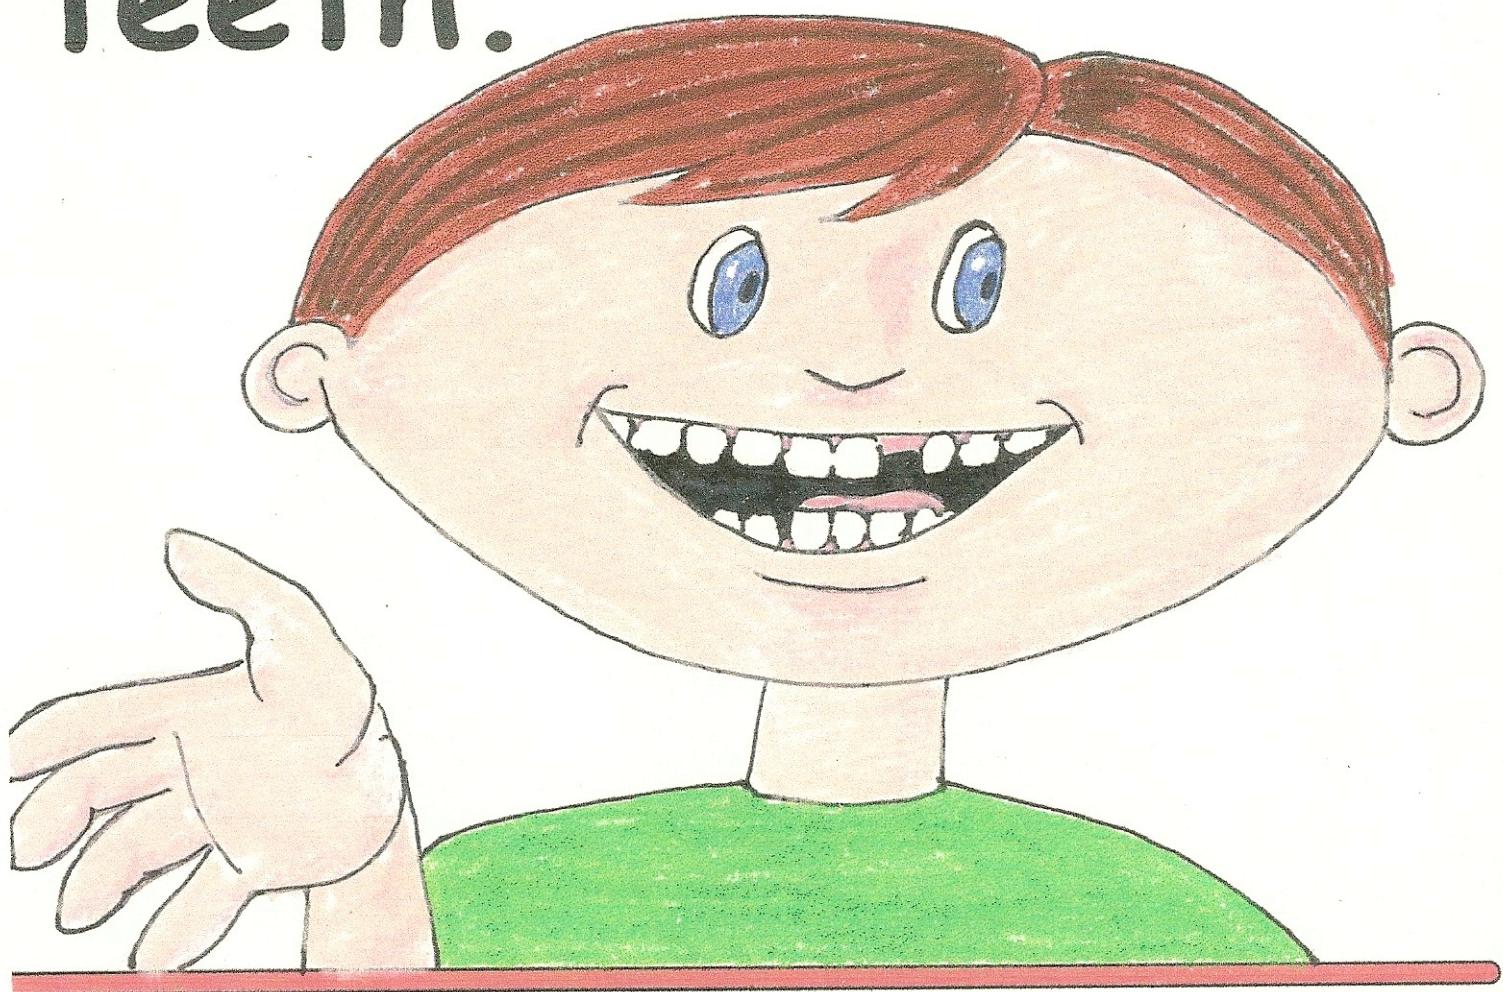

and sink.

HEY! Put the cap  
on the toothpaste!

# Tommy has clean teeth.

YES!

Nice, clean teeth!

SMILE!
